Dear students,

After graduation SLC, your sole concern is to find out the best college. A college that has everything tailor made just for you. Paramount college has it all - brilliant and benevolent lecturers. Meritorious and focused peers. State-of the art infrastructure. A perfect ambience. We are truly prepared to ensure that your future is the most valued and brightest.

So, I would like to request one and all to visit the college at least once and learn more about it yourself so that you won't lose the right way to select the district college in the district. With warm regards,

Damodar Bhusal
Principal

Introduction:

Established in 2060 B.S. under the affiliation of HSEB of Nepal with a mission to foster a passion for excellence, innovative spirit, competence and creativity promoting close student teacher relationship, PARAMOUNT is an autonomous and model institution for qualitative education in peaceful academic environment along with the availability showing outstanding results in HSEB exam of both programs since its establishment. PARAMOUNT can provide you with unique opportunities not only to explore where you want to be for the next few years, but also to help you become the person you aspire to be in the future. We, at PARAMOUNT, are committed to instill knowledge, Skill, Social Responsibility and Discipline: the four pillars of success. Finally, we would like, therefore, to urge you to grab the opportunity on time available at the college at Shankarnagar-5, Nayamill, Rupandehi.
